# **NIKE JUNIOR INTERNATIONAL LIVERPOOL 11<sup>TH</sup> TO 25<sup>TH</sup> NOVEMBER**

***The 5th ITF Nike Junior International Event will be organised by Northern Vision at The Bidston Tennis Centre, Wirral as part of our all year long Community Programme.***

We aim to bring talented national and international youngsters not only promote Liverpool as a city of tennis but to also bring local kids to see and compete (through wildcards) against international junior players of their age.

More than 300 kids from nearly 50 different nations are expected to attend this two week of junior tennis bonanza. The Bidston Tennis centre is a fantastic venue for tennis and it is our aim and hopes to use it for several other events throughout the year. Additionally, the event is part of our initiative the Liverpool Tennis Foundation, set up by Northern Vision and supported by LTA and Liverpool City Council to make an active difference to the lives of thousands of young people throughout Liverpool - developing transferable life skills of self esteem, respect for others , the ability to work in a team in addition to fight obesity and crime.
